MOMENT_4:
The player will end up in a room that has a set of BIT_TECH robotic legs

**MOMENT_5:**
Upon approaching, a BIT_TECH robotic arm grabs BIT_BOT and starts assembling its legs

MOMENT_6:
The player regains control, now BIT_BOT has the ability to **jump**, and is **faster**

MOMENT_7:
With their new abilities the player can access new areas and new puzzles by **jumping** up ledges.
